Who will be next?

Procrastination really is the thief of time, and women so often think that tomorrow is another day. But every day has twenty-four golden hours and once they are lost, they can never be recalled. Life is a series of todays which so quickly turn into yesterdays that some of us spend our time regreftully looking backward instead of forward. Still others that worry or procrastinate are always waiting for tomorrow. In both cases the danger lies in overlooking the most important day of all -- today. So I would like to urge you to form the habit as of this moment of doing whatever it is that you have to do -- NOW. I hope you will make "TNT your watchword, and that means "Today, not tomorrow." a note from

Cindy

ARE YOU A GOAL GETTER? Do you know your goals and why they are your goals? Do you have PASSION? Passion is what moves us forward when our way is blocked by innumerable obstacles. Your business needs your passion. People want to be around others who are enthusiastic and are on a mission. What is your WHY? What makes your WHY so important? Put passion into it and START to work!

Track your activity. Are you getting the results you want? You need to ask yourself, "Is what I am doing now going to help me reach my goals by the end of the Seminar Year?" Be honest with yourself, could you work more and could you delegate more? Become a MASTER DELEGATOR with your personal and MK business "things to do" lists! This will allow you more time to work. Think of what and who you can delegate jobs to. Remember, children love being part of something, include them in helping. It may not be done exactly how you would do it, but at least it is getting done. Also, many teenagers and some women would love to work for product.

Also consider waking up earlier, be part of the 5:00 Club. Being up before others allows you to work on what is important over what is urgent! Then you are better prepared when "something comes up." Which it WILL and your to-do list gets carried over for days, weeks, or perhaps the importance fades and it gets put off indefinitely. It is your choice how you will spend your hours, make them count!

Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world. - Harriet Tubman

YOU HOLD THE KEY

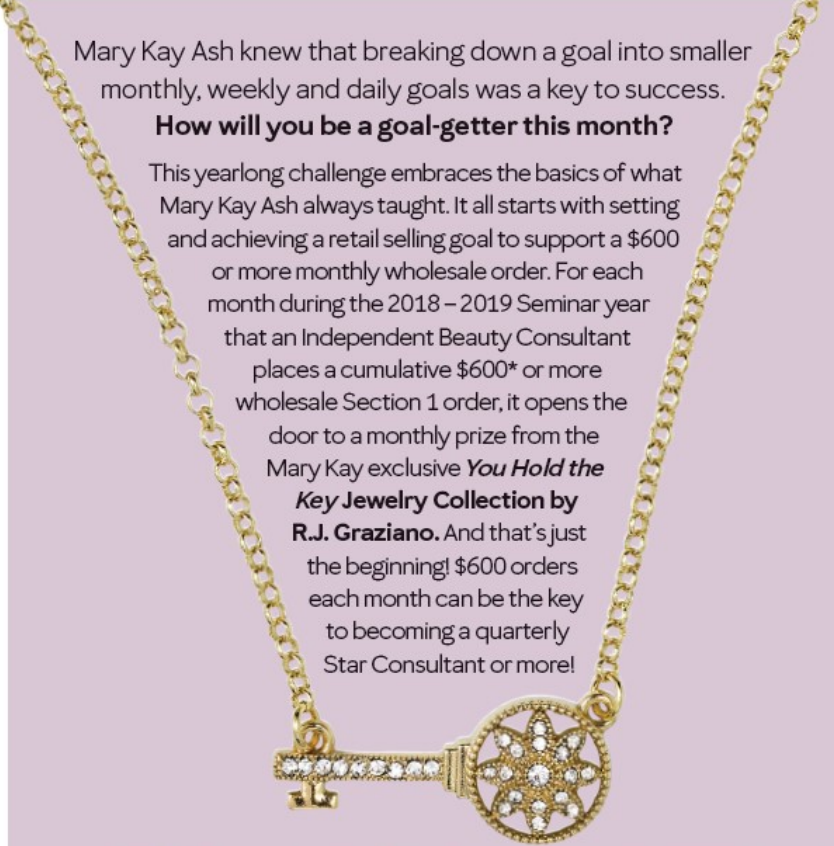

MARY KAY

Mary Kay Ash knew that breaking down a goal into smaller monthly, weekly and daily goals was a key to success.

How will you be a goal-getter this month?

This yearlong challenge embraces the basics of what Mary Kay Ash always taught. It all starts with setting and achieving a retail selling goal to support a \$600 or more monthly wholesale order. For each month during the 2018 – 2019 Seminar year that an Independent Beauty Consultant places a cumulative \$600* or more wholesale Section 1 order, it opens the door to a monthly prize from the Mary Kay exclusive *You Hold the Key Jewelry Collection* by **R.J. Graziano**. And that's just the beginning! \$600 orders each month can be the key to becoming a quarterly Star Consultant or more!

Go to *Mary Kay InTouch** for complete challenge rules and details.

*The \$600 or more wholesale Section 1 order requirement per month can be placed in one single order or placed in cumulative orders, as long as the orders are placed in the same calendar month. Customer Delivery Service, Guest Checkout and EZ Ship order amounts will also count toward your \$600 or more wholesale Section 1 order requirement. You'll receive your jewelry inside your qualifying order. One jewelry piece per contest achiever each month.
