Belief in success is the one basic absolutely essential ingredient in successful people. Obviously, if you think victory, you will succeed. Belief is the thermostat that regulates what we accomplish in life. A person is actually a product of her own thoughts; and when you think big, you achieve big things.

## The Winners Act

by Ann Vertel, Author, Speaker and Trainer

They step out. They take risks. They do things that are uncomfortable. They challenge themselves...every day. They choose what's hard over what's convenient.

Are there other athletes in this country who had the potential to go to the Olympics? Absolutely.

Are there women in business with the potential to go to the top? Almost every single one of them. Maybe we're talking about you.

The deciding factor, however, isn't how bad you want it or how much belief you have or whether you are task oriented or a people person or whether you live in the right neighborhood or whether you're single, thin, young, beautiful, smart, willing, deserving, or educated.

The single deciding factor in whether or not you "win the gold" in your business is what you actually do in your business today...and tomorrow...and the next day...and the day after that.

Believe you can do it. Don't listen to your critics (they haven't done it either!) and take the biggest, boldest, most outrageous action step you can think of today. Then repeat...repeat...repeat.

a note from

.....**Cindy**

Fill your April with ACTION, showering your business with work, blessing others and sharing the wonderful career opportunity with everyone. Make it your goal to facial 30 women this month, shower your business with new faces! Then in May, you will see Flowers... You will see the results of your hard work which builds momentum.

Are you thinking with ABUNDANCE for April? Abundance means "fullness to overflowing, affluence; wealth". God did not create us to be "small thinkers". Do you have a goal for April; an Audacious Abundant goal?

When we think BIG, we do BIG! When we do BIG we see BIG results! Where do you want to be by June 30th? Where do you see yourself in 5 years from now? Is what you are doing now going to help make your dreams come true? Do you need to make changes so you can reach your goals?

Stretch yourself and work outside your comfort area! That may mean calling new leads on the phone, sharing the opportunity with a customer or asking someone to hold a party. The more you do an activity, the easier it becomes; and the easier it becomes, the more confident you will be.

*"You cannot plough a field by turning it over in your mind."*
